

# M/S ROTA II

Luxury Charter Motor Sailer

Akerboom Feadship 65

Base: Athens, Greece

**ROTA II** is a classic pedigree 65 feet motor sailer, built to the highest standards by the reputed Akerboom Feadship Shipyard in Holland and is unique in Greece.

She is a "gentleman's yacht" with sophisticated design, superior quality and transatlantic specifications offering her excellent cruising performance even in rough seas.

**ROTA II** has all the elegance, style and luxury of a classical Motor Sailer along with comfortable interior and exterior salons, making her ideal for safe, relaxing and joyful holidays.

## ROTA II

is a charming pedigree motor sailer, built to the highest standards by the reputed Akerboom Feadship Shipyard in Holland and is unique in Greece.

She is a classic "gentleman's yacht" with sophisticated design, superior quality and transatlantic specifications offering her excellent cruising performance even in rough seas.

## HISTORY

This much admired magnificent yacht has a great history in the seas and now is in top condition, after a series of extensive renovations and a meticulous regular maintenance plan.

From 1996 to 2000 she has undergone a total rebuilt (engineering – electric – electronic – hydraulic – safety equipment etc) and in 2012 she had an additional very successful refit.

Her hull is made of high quality steel and all wooden constructions are made of high quality teak and iroko wood.
